Are you an Iranian American female founder with a company that is pre-Series B financing? You have the opportunity to pitch your company at the IAWF Conference on June 2nd to a panel of highly respected Silicon Valley investors, get feedback to perfect your pitch and create an opportunity for potential investment follow-ups. Judges will vote and the top three companies will be announced during closing session at the Conference to an audience of investors, influencers, and potential customers!

Click below for a chance to Pitch!
